Juneteenth Lecture: A Reflection on Social Justice and Emancipation

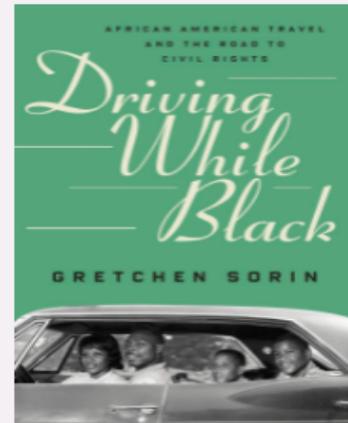

Wednesday, June 16 @ 7 pm

The Matawan-Aberdeen Public Library is a co-sponsor of this event.

The East Brunswick Public Library will be hosting a Zoom lecture in honor of Juneteenth, a holiday celebrated annually on June 19th that commemorates the day in 1865 when enslaved people of Texas, then the most remote region of the Confederacy, finally learned slavery had been abolished and that they were free.

Dr. Gretchen Sorin will present on the significance of the holiday, and how the automobile transformed the notion of liberation by providing safe travel for African Americans. As the author of the book *Driving While Black*, an engaging account of how car ownership impacted civil rights for Black people, Dr. Sorin traces the role of the automobile in fundamentally reshaping African American life.
